

# **Case Management Services at Community Care Services**

**T**he purpose of Case Management Services is to support an individual's functioning to the best of their ability: emotionally, physically, socially and vocationally.

**C**ase Management Services are successful when the individuals receiving services become as independent and self-sufficient as possible.

***CASE MANAGERS ENCOURAGE AND SUPPORT INDIVIDUALS IN RESOLVING THEIR OWN DIFFICULTIES AND MEETING THEIR OWN NEEDS.***

## **Case Management Services**

- Case Managers link individuals to available community resources.
- Case Managers work with people in identifying & problem-solving their needs in such areas as: clothing, housing, health needs, medication, food, financial/budgeting, limited transportation, and support groups.
- Case Managers coordinate services & are prepared to work as advocates within systems and organizations.
- Case Managers do a great deal of their work out in the community.

## **Successful Case Management Services**

- Supports Independence
- Strives to Improve the Quality of Life
- Involves Active Participation on the Part of the Individuals Served
